Intelisys Signs Master Agent Agreement with NetWolves

Tampa, Fla. – January 22, 2009 – NetWolves, a managed services provider delivering consolidated, secure network services from leading telecommunication companies, announced today that it has signed a Master Agent Agreement with Intelisys Communications, Inc., the nation’s leading master agency distributor of business communication services.

“The addition of Intelisys to our Channel Partner Program further validates the value of our flexible and unique approach to delivering and supporting solutions to top-producing independent sales organization,” said Ryan Kelly, Vice President at NetWolves. “We are thrilled with this new relationship and look forward to bringing our customized solutions to Intelisys elite network,” continued Kelly.

“Intelisys represents the nations top performing telecommunications services providers, and we are pleased to add NetWolves to this exclusive group,” said Jay Bradley, Intelisys’ President of Telecom Services. “NetWolves unique approach as a managed services provider, and their proven abilities to deliver adds value to our top-producing independent sales organizations,” continued Jay Bradley, Intelisys’ President of Telecom Services.

About NetWolves

NetWolves Corporation is a managed services provider delivering consolidated, secure network services from leading telecommunications companies, offering its customers a single-source solution for all of their ever-changing telecommunications needs. NetWolves is a privately held company headquartered in Tampa, FL.

About Intelisys

Intelisys is the only telecom Master Agency focused exclusively on supporting the Channel's top-producing sales agents. It specializes in providing a broad suite of telecom value-based solutions to ensure the top producing agent's success. Intelisys services include a complete selection of carrier voice and data services, wireless and wired access, auxiliary services such as voice and web conferencing, mobility solutions, and Intelisys' proprietary telecom asset management tool, Audex.

Since its inception in 1994, its growth is a result of the unique formula of recruiting top-producing agents, capitalizing on industry trends, and providing exceptional operational and back-office support. This formula has positioned Intelisys as the recognized thought-leader in the telecommunications independent sales channel.
