Petaluma, CA- Intelisys Communications, Inc., the only Master Agency focused exclusively on supporting the Channel's top-producing sales agents announced the promotion of Mike McKenney to Vice President of Partner Sales. In his newly expanded role, McKenney will continue to lead Intelisys' recruitment and SWAT efforts, in addition to expanding Intelisys' partner sales presence in markets nationwide. "Mike brings an incredible track record of identifying and supporting the industry's finest agents. After fifteen years with Cable and Wireless and almost five years with Intelisys, Mike has established himself as one of the most effective sales leaders in the channel," said Jay Bradley, President of Intelisys Telecom Services.

Intelisys also announced the appointment of Karla Roarty to the newly created position of Senior Channel Manager, Eastern Region based in Orlando, FL. "Karla brings over ten years of successful channel management experience and is widely regarded by her network of independent sales agents as one of the best and brightest in the industry. Like Intelisys, Karla's singular focus is to build insanely successful relationships with the channel's top-producing agents," said McKenney.

About Intelisys

Intelisys is the only telecom Master Agency focused exclusively on supporting the Channel's top-producing sales agents. We specialize in providing a broad suite of telecom value-based solutions to ensure the top-producing agent's success. Our services include a complete selection of carrier voice and data services, wireless and wired access,

auxiliary services such as voice and web conferencing, mobility solutions, and Intelisys' proprietary telecom asset management tool, Audex.

Since our inception in 1994, our growth is a result of the unique formula of recruiting top-producing agents, capitalizing on industry trends, and most importantly, providing exceptional operational and back-office support. This formula has positioned Intelisys as the recognized leader in the telecommunications independent sales channel.
