

Social Media Enablement for Resellers **FREE to Qwest Business Partners!**

Back by popular demand!

After the overwhelming turnout at the Social Media 101 Breakout Session at this year's Q.Marketplace event, the Qwest Business Partner Program is sponsoring our entire Partner channel so they can continue to learn how to use social media to boost their business!

Get all the details [here](#).

This unique educational course is specifically designed for channel partners – offering online instructor-led webcasts every week **beginning February 18, 2010**. Whether you are a novice or social media guru, you'll learn how to optimally leverage social media tools to grow your business and improve customer satisfaction.

Invitations are being sent to our current Partners letting them know how to register.
